

Ride with

# Anna Buffini

# HIGH PLAINS DRESSAGE

## September

## 7th & 8th

Please join the High Plains Dressage Chapter for our featured September Dressage Clinic with Anna Buffini. We are proud to support her as she continues her journey to qualify to represent the USA in the 2024 Olympics. For more information about Anna Buffini's equestrian career and accomplishments, please visit our website at [www.HighPlainsDressage.org](http://www.HighPlainsDressage.org). You can also get to know her and follow her journey through her TikTok videos @annabuffini.

Riders of all levels, AA, Pro, and JR, are welcome to apply, as are horses of all levels. **Applications can be completed on our website and are due by July 15th.** Riders will be announced by August 1st. Riders may indicate if they wish to ride both days, and we will do our best to grant those requests. Auditing both days is included, as is lunch for our riders. We will have stalls and day stalls available at the venue.

We have a limited number of seats available for our auditors, so please reserve them as soon as possible. Lunch is provided for our auditors each day, as is an elevated seating area and a sound system for quality hearing of Anna's instruction.

We would love the support of some of RMDS member local businesses. We will feature your logo and URL on our website, social media postings, and the program, which features information on each horse and rider pair. If you are interested in being a sponsor for this event, please email [highplainsdressagechapter@gmail.com](mailto:highplainsdressagechapter@gmail.com). We would love to feature and support your business!

Indigo Hills Equestrian Center
