#### **PRESIDENT'S MESSAGE**

The days have been hot with storms in the afternoon. Most of us try to ride in the morning, but jobs and schedules don't always allow that.

With the summer coming to an end we will start to see some cooler days. That means our RMDS and Region V Championships are almost upon us. Hopefully you have qualified or soon will do so to attend this fun week of competition and social time with your friends at the many evening events. As always we are in need of many volunteers to keep this show running smoothly.
